BTI Consulting named Wheeler Trigg O'Donnell (WTO) to its **2024 Client Service A-Team**. The report honors the law firms that clients recognize for "delivering the absolute best client service," BTI writes.

To determine the list, BTI surveyed corporate counsel on factors they agree drive the strongest relationships with firms.

"An excellent client experience is the top priority at WTO. It is validating to know our clients say we are delivering A-Team level service," says **Mike Williams**, WTO Managing Partner. "Thank you to our clients for their continued trust and confidence in WTO."

BTI has honored WTO for client service multiple times. In addition to the firm making the Client Service A-Team three times, WTO lawyers have been named Client Service All-Stars, and BTI has named WTO a Midsize Client Service Master.

BTI's rankings are unique in the industry because no firm can nominate or submit for recognition. Rankings are based exclusively on BTI's surveys and interviews with more than 24,000 in-house leaders.

*Wheeler Trigg O'Donnell lawyers have taken more than 1,100 trials and arbitrations to verdict or award and 300 appeals to opinion all across the nation, with exceptional results for our clients.*

*Established in 1998, WTO today numbers more than 110 trial lawyers and litigators. The firm represents sophisticated clients in high-stakes civil trials, appeals, and related litigation ranging from complex commercial to class actions to catastrophic torts.*
