BTI Consulting ranked us as Highly Recommended in the midsize and smaller law firm category, placing us as one of the nation's top litigation boutiques.

"Corporate counsel are more open to using mid- and smaller-sized firms (500 attorneys or less) than at any time in recent memory," BTI said.

Of the firms on the list, the group stated, "These firms are acutely aware of how garden variety client service just doesn't cut it. A savvy group of these firms is doubling down on all aspects of the client experience - and reaping big dividends."

BTI recognitions are unique in the industry, because no firm or attorney may nominate or submit for consideration.

Rankings are based exclusively on BTI's extensive conversations with in-house counsel.
