We don't just win big cases all across the country - clients regularly say we win while delivering great service. It's part of what "Winning - Without the Attitude" means.

BTI Consulting again placed us among the best law firms at client service, based on feedback they received from our clients.

BTI has honored WTO for client service multiple times. In addition to the firm making the Client Service A-Team four times, WTO lawyers have been named Client Service All-Stars, and BTI has named WTO a Midsize Client Service Master.

BTI's rankings are unique in the industry because no firm can nominate or submit for recognition. Rankings are based exclusively on BTI's surveys and interviews with more than 24,000 in-house leaders.
