Law.com Publishes Article on Colorado's AI Act by Alison Connaughty and Miles Orton

News
Oct 10, 2025

Colorado's Artificial Intelligence Act is positioned to be one of the nation's earliest and most serious set of regulations governing the use of AI, **Alison Connaughty** and **Miles Orton** wrote in their article published in Law.com's Expert Opinion series. They went on to break down what lawyers and businesses need to know.

Law.com subscribers can read Miles and Alison's perspective on the key provisions and impact **here**.
