Associate **Celyn Giefer** has been selected for the LCLD's Pathfinders program - the year-long program works to develop the next generation of legal leaders. Pathfinders provides high-potential, early-career attorneys with the opportunity to learn from top leaders in the legal profession while gaining foundational leadership skills and relationship-building resources.

Celyn has emerged as a leader early in her career. She chairs our firm's philanthropic arm, the WTO Foundation Committee, and pioneered the creation of our community service initiative known as WTO Gives. She also is a board member of the law school pipeline program "Law School . . . Yes We Can!" Celyn is a member of teams representing sophisticated clients across the country in class and collective actions, and product and professional liability litigation. We look forward to seeing how LCLD Pathfinders helps elevate Celyn's career.
