

WTO Wins Legal Aid of Colorado Associates Campaign, Sets Fundraising Record

News

May 18, 2026

We won! Our firm raised more funds than any other law firm in the Legal Aid Foundation of Colorado's 2026 Associates Campaign, thanks to the generosity and competitive spirit of our associates, who led the campaign and contributed substantially, along with other team members who rallied to the cause.

Most importantly, our donations will help needy Coloradoans receive free legal services.

We also set a new LAF record for team fundraising - a testament to our core value of serving our community through volunteer and pro bono services. This was a full-firm effort from a firm that has believed since its founding that a firm can't be a first-rate institution without looking out for its community too.
