Presenter, "Recent Assaults on the Most Sacred Privilege of All: Does the Attorney-Client Privilege Still Exist?," The Federation of Defense and Corporate Counsel Section on Extra-Contractual Liability, (July 29, 2014).

Articles
Jul 29, 2014

Recent decisions in insurance cases have broadened the scenarios where the attorney-client privilege is being pierced. Whether it is based on the common-law crime/fraud exception to the privilege or more exotic arguments, more and more often the sacred privilege between an attorney and a client in the insurance arena is under attack.

Panelists included
