✉ BELLAMY@WTOTRIAL.COM

☎ 303.244.1844

Galen Bellamy represents major, sophisticated manufacturers in consumer class action and product liability litigation and appeals. His appellate experience includes successful petitions and amicus briefs to the U.S. Supreme Court and petitions and briefs in over half a dozen U.S. Circuit Courts of Appeal.

Galen has represented both international and domestic clients in state and federal courts across the U.S. He excels in developing creative strategies and building strong legal foundations to resolve complex commercial disputes and consumer class actions. He has also represented

corporate clients in connection with investigations by the U.S. Securities and Exchange Commission, and has helped conduct internal compliance investigations.

Galen's civil litigation clients have included institutions from consumer goods, energy, healthcare, and manufacturing industries.

Before joining WTO, Galen was an associate with Skadden in the firm's Washington D.C. and San Francisco offices. Galen also clerked for The Honorable Edward E. Carnes, U.S. Court of Appeals for the Eleventh Circuit.

CLASS ACTIONS

Represents healthcare providers in numerous patient class actions.

Defeated class certification for Electrolux in class action involving millions of oven ranges.

Won final approval of class settlement and vacatur of a \$15 million attorneys' fee award from the Ninth Circuit in a consumer class action for Whirlpool.

Defeated class certification for Electrolux in a consolidated putative class action in Illinois involving millions of the company's dishwashers.

Represent a major automotive supplier in consumer class actions involving alleged failure to adhere to safety requirements.

Won summary judgment against a certified, seven-state class action alleging false labeling and breach of warranty.

Defeated class certification for Whirlpool in a bellwether case alleging false advertising of innovative self-cleaning ovens.

Successfully defended and achieved favorable settlement for a telecommunications company in federal and state putative class actions arising out of an alleged data breach.

Defeated a motion to certify a nationwide breach of warranty class in a case alleging that certain Kenmore washing machines contained defective electronic control boards that caused the machines to malfunction.

Secured dismissal with prejudice of a putative nationwide class action complaint alleging that certain Whirlpool washing machines were “mislabeled” with the Energy Star logo.

Won denial of certification of a putative nationwide class action complaint alleging that certain Whirlpool washing machines contained defective electronic control boards that caused the machines to malfunction and could potentially cause them to “explode.”

Obtained dismissal of putative state consumer protection claims alleging that Sears failed to disclose that certain Whirlpool-manufactured washing machines contained defective electronic control boards and a design defect that caused them to develop moldy odors.

Represented large multinational consumer goods manufacturer and large retailer in multiple class actions regarding allegedly defective products.

Represented large healthcare and medical supply company in one of the largest securities class actions in U.S. history.

APPEALS

Authored an amicus brief on a question certified from the Second Circuit urging New York’s highest court not to adopt cross-jurisdictional class action tolling.

Authored an amicus brief for the Product Liability Advisory Council urging affirmance of holding that state law consumer fraud claims against drug manufacturer were preempted under the Supreme Court’s impossibility preemption principles.

Authored a Rule 23(f) petition for interlocutory review from an order partially granting class certification.

Authored a petition for permission to appeal under 28 U.S.C. § 1292(b) concerning two important and unsettled questions of class action tolling.

Authored an amicus brief for interested parties including the U.S. Chamber of Commerce and the National Association of Manufacturers to highlight issues involving the dangers of certifying classes of predominantly uninjured consumers.

Authored petitions for writs of certiorari in the high-profile appeals of class certification in *Glazer v. Whirlpool* and *Butler v. Sears*, which the Supreme Court granted, vacated, and remanded to the Sixth and Seventh Circuits for reconsideration in light of the Court's decision in *Comcast v. Behrend*.

Helped draft amicus brief for the Product Liability Advisory Council in connection with challenge to punitive damages award related to the Exxon Valdez oil spill.

COMMERCIAL LITIGATION

Won a multimillion-dollar arbitration award for an energy company, recovering more than 15 times the last settlement offer made before trial.

Represented large multinational document services company and large accounting firm in connection with investigations by the U.S. Securities and Exchange Commission regarding alleged accounting irregularities.

Conducted internal investigations of international private equity firm and large semiconductor manufacturer.
