

Won on behalf of a home appliance trade association in a complex federal constitutional case challenging state legislation on First Amendment grounds.

2026

Our team, led by **Drew Unthank** and **Fred Yarger**, protected the speech rights of gas stove manufacturers and retailers by enjoining a law that attempted to force them to post and disseminate misleading, scientifically unproven disclaimers concerning their products.

A federal judge recently issued a preliminary injunction preventing state enforcement of a Colorado law that singles out new gas stoves for warning labels.

Our team also included **Herman Hoying**, **Diane Duero**, and **Iva Velickovic**.
