Won a jury verdict for DISH Wireless in a cell tower contract dispute worth hundreds of millions of dollars, and successfully defended that victory on appeal.

2025

Our team that won a jury verdict for DISH Wireless in a 9-figure commercial litigation case just won on appeal.

The Colorado Court of Appeals affirmed our 2024 jury verdict for DISH, on Crown Castle's claim that DISH had breached its lease – a claim that stood to cost DISH hundreds of millions of dollars in additional rent at 20,000 cell tower sites nationwide. Following Partner **Frederick Yarger's** oral argument for DISH, the appeals court unanimously sided with DISH on all claims.

In addition to Fred, our team included Partner **Hugh Gottschalk**, and Associates **Rebekah Nickel**, **Miranda Worthington**, and **Alena Weicher**.
