"A firm can't be a first-rate institution without looking out for its community, too." Those words from co-founder Mike O'Donnell guide all we do for our community, including our nationally recognized pro bono litigation work, hands-on volunteer efforts with our WTO Gives program, contributions through the WTO Foundation, and more.

Thank you to the Denver Business Journal for recognizing us as one of their 2026 "Partners in Philanthropy" winners and the only law firm on the list. In this DBJ video interview, Kevin Homiak, Partner & Pro Bono Chair, and Celyn Giefer, Associate & WTO Foundation Chair, talk about how we give back.
