

From our Denver office, we help clients across the country prevail in high-stakes, often industry-shaping commercial disputes, class and mass actions, antitrust, and appellate. We are especially known for trial work and are often brought in to try cases when the stakes are high, or the environment is especially challenging.

With nearly all our lawyers in Denver, we hire selectively, train intensively and foster broad collaboration that spreads the best litigation and client service techniques across the firm.

Client Service the WTO Way

When you visit our office, our goal is to employ the highest level of hospitality and concierge service to make your experience comfortable, and seamless even before you arrive. We are committed to anticipating and meeting your needs. For any special requests, please let us know so we can make your visit comfortable and productive. Contact Cristina Neel, Experience Coordinator, at 303.244.1817 or CNeel@wheelertrigg.com

Visiting our Office

Driving to our office? Valet parking is available at Republic Plaza, on Level 1 of the parking garage, the entrance to which is on Court Place between 16th and 17th Streets. Short-term parking is available at the Tremont Garage at 1440 Tremont Place, just 1½ blocks from our office.

Please check in at the Security desk in the Southwest corner of the building lobby to get an elevator pass, and take the elevators to the 45th Floor. When you arrive, Cristina and her team will welcome you and assist with anything you may need during your visit.
