DENVER: Ten Wheeler Trigg O'Donnell partners have been selected as *Colorado Super Lawyers*® for 2009. Two are on the top 10 list and an additional two are among the top 50.

Since 2007, four WTO lawyers have been among the top 10 lawyers listed, including Michael O'Donnell and Malcolm Wheeler, both of whom are on the top 10 list for the second time this year. Hugh Gottschalk and Kevin Kuhn are among the top 50 this year and have been on the top 10 list previously.

According to Law & Politics which publishes Super Lawyers lists in every state, "only the top five percent of the lawyers in the state are named Super Lawyers." The 2009 list was published recently in *Colorado Super Lawyers* magazine and the April issue of *5280* magazine.
