WTO Wins Multi-Million-Dollar Contract Dispute

News
Nov 9, 2026

We won an oil and gas contract dispute for our client on an expedited timeline, going from filing to arbitration hearing in just two months. The two parties operate on the same leasehold, and our client won on every disputed issue of fact, secured its rights, and won millions of dollars in damages, including full recovery of all fees and costs.

"We are a family," our client wrote us after the win. Congratulations to Partners Marissa Ronk and Andrew Gehring on the victory.
