

The Legal 500 US Ranks Wheeler Trigg O'Donnell Among Top Product Liability and Mass Tort Defense Firms

News

Jun 3, 2013

DENVER: *The Legal 500 United States* 2013 edition ranks civil litigation firm Wheeler Trigg O'Donnell LLP for its product liability and mass tort defense practice as one of the top two law firms nationally in the automotive industry, among the top 12 firms nationally in the consumer products industry, and among the top 27 firms nationally in the pharmaceutical and medical device industry.

The Legal 500 recommends WTO partners John Fitzpatrick, James Hooper, Habib Nasrullah, Michael O'Donnell, Edward Stewart, Jack Trigg, and Michael Williams for product liability and mass tort defense and lists Malcolm Wheeler among the top 13 lawyers nationally in the automotive and consumer products industries.

Based on extensive research with corporate counsel, *The Legal 500* calls WTO, "one of the icons of defense practice across the US" and "terrific in all respects."
