DENVER: In its 10th edition, *Benchmark Litigation* ranks 20 Wheeler Trigg O'Donnell (WTO) lawyers to its Colorado list. No other firm in Colorado has more than six lawyers listed. The publication also lists WTO in its highest category, "highly recommended." WTO is "recommended" nationwide for product liability.

For the fourth year in a row, WTO managing partner Carolyn Fairless has been listed among the Top 250 Women in Litigation. Only two women lawyers in Colorado were named to the list. Partner Katie Reilly is listed to the 2016 Under 40 Hot List.

According to *Benchmark's* website, rankings are conducted by a team of journalists based in New York. The content is collected from telephone interviews with litigators and sitting federal judges.

Over the past decade, Wheeler Trigg O'Donnell lawyers have won 83 complete trial verdicts, 41 complex arbitrations, and 68 significant appeals nationwide for our clients. Established in 1998, WTO currently numbers 100 lawyers. The firm represents sophisticated clients in high-stakes civil trials,

appeals, arbitrations, and related matters, including class actions, mass torts, and multidistrict litigation.
